Order Requiring Discovery and Scheduling Conference,
Order Requiring Statement of Claim and Response in FLSA Case,
and Order Referring Discovery Matters to the Magistrate Judge

This matter is before the Court upon an independent review of the record. The parties must abide by the following instructions:

1. This is a Fair Labor Standards Act case in which the Plaintiff seeks unpaid wages. In order to assist the Court in the management of the case, the following procedures are required:

- a. The Plaintiff must file a statement of claim setting forth the amount of alleged unpaid wages, the calculation of such wages, and the nature of the wages (*e.g.*, overtime or regular) **no later than twenty-one days from date of this Order, inclusive of mailing days.**
- b. When the Defendant first appears in the case, or at the time of filing if Defendant has already appeared, the Plaintiff must promptly serve a copy of this Order and the statement of claim upon the Defendant. The Plaintiff must also file a notice with the Court indicating the date the Plaintiff served Defendant with the statement of claim. (If this case has been removed from state court, the Defendant must properly serve a copy of this Order to the Plaintiff.)
- c. Within fourteen days of receiving service of Plaintiff's statement of claim, the Defendant must file a response to the Plaintiff's statement of claim.

2. Within fourteen days of the filing of a response to the complaint by a Defendant in this matter, the parties must meet and confer regarding discovery and scheduling issues, as set out in Federal Rule of Civil Procedure 26(f) and Local Rule 16.1(b).

3. Within seven days of the parties' discovery and scheduling conference, the parties must file a joint discovery plan and conference report, as set forth in Federal Rule of Civil Procedure 26(f)(3) and Local Rule 16.1(b)(2).

4. **The parties are ordered to disregard the requirements of Local Rule 16.1 and Federal Rule of Civil Procedure 26(f)(3)(B) regarding any proposed deadlines or dates certain.** Instead, it is the Court's practice to set FLSA cases on an expedited case track. This expedited case track requires the parties to complete discovery approximately three and a half months from the date of the

Court's Scheduling Order, and provides for a trial date approximately eight months from the date of the Court's Scheduling Order. The Court's expedited case track is set forth in Attachment "A" to this Order. If the parties believe that this case is uniquely complex and requires more time the parties must set out the reasons justifying a more protracted schedule along with a proposed schedule of trial and pretrial deadlines. The proposed schedule must be submitted in substantially the same format as the schedule presented in the Attachment to this Order with all proposed date or event deviations *italicized*. Regardless of any proposed changes, the dispositive motions deadline must be set no later than four months before the commencement of the proposed trial period and no sooner than two weeks after the close of all fact discovery. **Should any aspect of the proposed schedule fail to comply with the directions in this paragraph, the Court may unilaterally set the case on the expedited track.**

5. General Motion Practice Before the District Judge. Where there are multiple Plaintiffs or Defendants, the parties must file **joint motions* and consolidated responses and replies** unless there are clear conflicts of position. If conflicts of position exist, the parties must explain the conflicts in their separate filings.

6. Magistrate Judge Referral. By virtue of 28 U.S.C. § 636 and the Magistrate Rules of the Local Rules of the Southern District of Florida, the Court refers all discovery matters in this case to United States Magistrate Judge Jonathan Goodman to take all necessary and proper action as required by law.

7. Settlement Conference Before Magistrate Judge. The parties may, at any time, file a motion requesting a settlement conference before Judge Goodman. The Court encourages the parties to consider a confidential settlement conference with Judge Goodman, especially if the parties believe there is a meaningful chance of reaching an early, amicable resolution of their dispute.

8. Discovery Motion Procedures. Judge Goodman will enter a separate order regarding his discovery procedures.

Done and ordered at Miami, Florida, on March 17, 2023.

Robert N. Scola, Jr.
United States District Judge

* If multiple Defendants have been served on different days, their deadlines to respond to the complaint will likely differ. Therefore, in order to file a joint motion to dismiss the complaint, for example, one or more Defendants may need an extension of time to respond to the complaint. To that end, those Defendants must confer with opposing counsel, as required by the Local Rules, and then seek relief from the Court regarding an appropriate extension. So long as the disparate service dates do not result in extensions that will unduly delay the proceedings, the Court will accommodate any request that facilitates the joint filing. If any Defendant has not yet been served by the time a responsive pleading is due, the parties must advise the Court as to whether further extensions may be warranted.
